Our Blurb

Here at WA image furniture we are a small family business who have been operating for 20 years providing fine furniture for homes and businesses all across Western Australia. All our products are backed with a ten year manufacturer's warranty which covers frame, foam, webbing and workmanship. Because all of our products are 100% made here we are able to offer you 100% customizable products down to millimetre perfection. Whatever it may be we will meet your needs.

Director of business: David Howard.
